Italy

At the heart of the Valpolicella Classico is the Corvina and Corvinone grapes which lend a distinct black pepper and dark cherry character to the wine, it has a rich silky palate and a dark cherry character to the wine, it has a rich silky papate and full body, offering plum and blackberry fruit flavours. A seriously smooth Amarone Della Valpolicella.

**Ameri - Governo All'Uso Toscano IGT**

**Bottle 105**

Italy 

Ameri is 100% Sangiovese, aged 10 months in old French oak barriques. When the grapes are fully ripe the shoot is snapped and the grapes are left on the vine for several days, this method is called 'taglio del traicio' and can only be done in warm and dry years. These partly dried grapes are added to some Sangiovese that is fermenting - this technique is called 'Governo'. Bottling takes place on a waning moon and with no filtration.

Only 2'090 bottles are produced annually.
